## Our Children, Our Future – Tonga Pavilion

Tonga's pavilion at EXPO 2025 is a celebration of our nation's unwavering commitment to empowering children through faith, sports, culture, and education. Under the theme "Our Children, Our Future," we showcase how Tonga nurtures its young generation to become strong, resilient, and future-ready leaders.

Rooted in faith, we highlight the role of religion in shaping values, strengthening communities, and guiding children throughout their lives. Our rich cultural heritage comes alive through traditional arts, dance, and storytelling, preserving our identity for future generations. Education remains a cornerstone, equipping our youth with knowledge and opportunities to thrive in an evolving world. Sports, especially rugby, instill discipline, teamwork, and national pride, fostering both physical and personal development.

Through interactive displays, performances, and inspiring stories, our pavilion invites you to experience the heart of Tonga's future—our children. Join us in celebrating a nation that empowers its youth to carry forward our legacy with strength and purpose.

## Tonga Tourism

The Kingdom of Tonga is known as the Friendly Islands. With 176 islands to explore, you will be spoiled for choice in the Kingdom of Tonga. Only 40 islands are inhabited, so it is easy to imagine yourself on one of the deserted islands and become friends with the local sea life. Tonga's motto is "Ko e 'Otua mo Tonga ko hoku tofi'a", "God and Tonga are my Inheritance".
