

A FUTURE SHAPED BY PEOPLE,
POWERED BY SEA, WIND AND SUN
CABO VERDE - EXPO OSAKA 2025

Theme

A future Shaped by People, Powered by Sea, Wind and Sun

The theme reflects Cabo Verde's vision of resilience, innovation, and sustainability, emphasizing its commitment to harnessing natural resources – sun, sea, and wind – while celebrating its vibrant culture and highlighting the vital role of its people in driving progress, sustainable development, and the 2030 Agenda.

Subtema "Empowering Lives"

It highlights Cabo Verde's journey toward a sustainable future through its most abundant natural resources and innovation.
